

The American Platform Tennis Association as well as the Rochester District Platform Tennis Association are very excited and pleased to announce that Rochester, NY will once again host the Men's and Women's National Platform Tennis Championships and Presidents Cup, March 13-16, 2008.

The huge success of the 1988, 1996, and 2000 Nationals held in Rochester have set a new standard for hosting this prestigious event. A total of four tournaments over a four day period will be played, which includes the Men's and Women's Nationals & Presidents Cup. As hosts of these events, Rochesterians will have the opportunity to see the exciting play of the top nationally ranked players from all over the USA and Canada. We expect over 200 tennis teams to compete for the National Title.

This is a great opportunity to showcase Rochester on a national level. The success of these tournaments relies heavily on community support. Proceeds from this event will benefit local Rochester charities to be named later. Below are several attractive Sponsorship packages for your consideration. We hope you choose to support this exciting event.

1. Gold Sponsor ..... contribution \$1100.00  
 Will receive:
  - Advertising board space, 2'x3' at tournament site
